Key Pointers for Students on ITE's Joint Intake Exercise (JIE) for Admission to Nitec Courses

ALL N(T) students and N(A) students (who are not progressing to 5N(A) or repeating 4N(A)) are eligible for JIE.

Keen competition for *Nitec* and *Higher Nitec* courses, so use all 12 choices wisely!

Participation in Main Phase is key to secure a place in ITE!

If you are keen in the work & learn option, you may consider applying for the ITE Traineeship programme. Do apply in the Main Phase to avoid missing a place in ITE!

If you are unsuccessful in EAE, make sure you apply in Main Phase to avoid missing a place!

If you have received an additional letter, then you are eligible for the 3-year *Nitec* Programme (eNFP).

If you are eligible for eNFP, make sure you apply for the 2-year *Nitec* first before applying for eNFP!

The eNFP helps to build the necessary literacy and numeracy foundations that will enable you to successfully complete your *Nitec* course!

If you are counter-offered a course, accept it first before appealing to another course you may be more interested in!

FAQs from 4NA students

1. How do I apply for DPP when my GCE O-Level grades are not out? Do I have to wait until January 2022 to apply?

You will combine your **GCE N-Level examination** results and **school-based O-Level preliminary examination** results to apply for the DPP. Do not wait until January 2022 to apply if you are keen on DPP.

Upon the release of the GCE O-Level examination results, ITE will verify if DPP applicants who had previously used school-based preliminary examination results for admission have fulfilled the necessary criteria to continue in the DPP.

FAQs from 4NA students

2. How are my school-based O-Level preliminary examination grades converted?

School O-Level Prelim Grade	Converted N(A) Grade
A1-B3	1
B4-C6	2
D7-E8	3
F9	4

FAQs from 4NA students

3. After the release of the GCE O-Level results, can I apply for the DPP using a combination of my GCE O- and N-Level results if I am newly eligible?

Yes.

FAQs from 4NA students

4. I am interested in both the PFP and the DPP. What should I do, given that the DPP application is in December and the PFP application is in January? Can I apply for DPP and PFP at the same time?

You can apply for both DPP and PFP. However, if you are offered a place in both the DPP and PFP, you may only accept one course offer. Students who accept both offers will have their offers voided.

Option 1	Option 2
First progress to Secondary 5 and then apply for both the PFP and DPP upon release of the GCE O-Level examination results in January.	Apply for and accept DPP first. Apply for PFP after the release of the GCE O-Level results. If you decide to accept your PFP offer in January, you can withdraw from the DPP course and apply for a refund of your DPP enrolment fees, subject to ITE's approval.

Important Note for 4NA students

Report to BPGHS on 4 January 2022 (Tuesday):

- Students without a confirmed place in ITE/DPP
- Students waiting for GCE O-Level results to apply for PFP, even if you are very sure you are eligible, as eligibility does not guarantee placement
- Students moving on to Sec 5A
