# **TRAINEESHIP TRAINING SYSTEM**

# TRAINEESHIP TRAINING SYSTEM

## Objective

Structured mode of training that enables students to learn valuable skills in an actual work environment and earn a salary at the same time

## Duration

- 1 to 2 years (*depends on traineeship course*)

## 2 Components

- On-the-job training  
*(work under the supervision of an experienced and qualified trainer in the sponsoring company to learn the skills needed for the job)*
- Off-the-job training  
*(attend theory and practical lessons and work at the sponsoring company)  
(lessons may be conducted on a full-time block-release (full-time for a few days or weeks) and/or day-release (once or twice a week) basis)*

# Traineeship Training Option

What are the benefits?

- Obtain an additional certificate: The Traineeship Certificate.
- Gain a head start in your career.
- Learn from qualified and experienced trainers.
- Receive the same national certificate as full-time ITE graduates.
- Enjoy benefits as other employees in the company.
- Acquire life skills through on-the-job training.
- Have the same opportunities as full-time graduates to upgrade your skills through further education.

*Visit the ITE website for more information*
