Important

- It is your responsibility to opt for your eligible choice of studies.
- Print screen the confirmation notice after you have made your choice for reference.
- If no option is registered by the deadline, student will be allocated to an option where available.

Final Reminders

- Choose **wisely** ... be clear about what is expected of you in order to move on to the next stage of education.
- **Quality** matters ... it is not about doing as many subjects as possible but doing well in the subjects that matter, choose the combination that best allows you to harness your strengths.
- **Balance** between studies and CCA is important ... your LEAPS points can help you gain admission into an institution/course of your choice.
