BPGHS/2019/004

2 January 2019

Dear Sec 2 Parents/Guardians

Welcome to the new academic year! As a secondary two student, your child/ward can look forward to greater leadership roles and responsibilities in his/her CCA. He/she will also be working diligently to achieve academic excellence. We seek your partnership in supporting the school and enabling your child/ward to achieve holistic development and excellence in both academic and co-curricular areas.

2. A rigorous and enriching programme has been crafted to ensure that our BPians imbibe our school values and acquire desired leadership qualities and competencies during their course of study at our school. In this circular, we wish to highlight some key programmes/activities for our students. You may wish to refer to the 2019 School Calendar, which is available on our school website, for details on the school examination schedule and other school programmes/activities.

3. As the school strives to provide a safe, respectful and caring community that promotes and supports positive student behaviour and discipline, we hope our students learn and take responsibility for their actions or misbehaviours. The school rules and student management guidelines have been reviewed and updated.

4. For more details on examinations and other school events/programmes, please refer to our school website (<http://www.bpghs.moe.edu.sg>) or the 2019 BPian Organiser, which is complimentary to all students.

Remedial / Consultation Sessions

5. We strive to nurture our students into self-driven learners and strongly urge them to take the initiative to seek consultation from their subject teachers. Time is set aside on a daily basis for our students to attend remedial lessons or seek consultation from their subject teachers. This is to allow them to develop good time management skills as well as to consolidate their learning. We would like to inform you that these sessions will be implemented half an hour after the last lesson for the day based on the following schedule:

| Course | Mondays | Wednesdays | Thursdays | Fridays |
|-----------------------|-------------------------------------|-------------------|-------------------|---------------------------|
| Express | English Language / Humanities | Math | Science | Mother Tongue Language |
| Normal (Academic) | | Science | Math / Aesthetics | |
| Normal (Technical) | | | Math | |

Sec 2 Adventure Camp (27 – 30 May 2019)

6. The camp is an annual event with the objective to encourage our students to go beyond their limits, overcome their fears and build self-confidence, as well as bond with their fellow school mates and teachers. As this is one of our key programmes for student development, attendance is compulsory. Only students who have been certified medically unfit will be exempted. We will provide more information at a later date.
