4 May 2017

Dear Parent/ Guardian

Schedule of Co-curriculum Programme and Meet-the-Parents Sessions for Secondary 1, 2 and 3

The BPian Experience is shaped by the rigorous core curriculum and enriching co-curriculum that BPians undergo in their four/ five years in the school to discover and develop their potential. As part of the co-curriculum, a range of programmes has been organised towards the end of this semester to instil desired values and qualities and hone the competencies of our students progressively.

These programmes may range from learning journeys to camps where students will learn from the experiences they undergo to hands-on workshops at which they will have a chance to pick up a new interest, skill and knowledge.

The details and objectives of the programmes for the different levels are listed in **Annex A**.

On 25 and 26 May, the school will be having the Meet-the-Parents cum E-Learning days. Your child should accompany you during your scheduled appointment with the form teachers. There will be no lessons in school. Instead, your child will be tasked to complete lesson packages for designated subjects on e-learning portals.

The details on how to make an appointment to meet your child's form teachers are listed and how your child can access the online lesson packages are listed in **Annex B and C** respectively.

We would appreciate your support for the activities that we have organised. For enquiries, please contact the respective Form Teachers or Year Head (Lower Secondary), Mr Ng Ding Zhong at ng_ding_zhong@moe.edu.sg or Year Head (Upper Secondary), Ms Alina Bte Sany at alina_ahmad_sany@moe.edu.sg

Yours faithfully
