23 May 2017

Dear Parent/ Guardian

### **Secondary 4 and 5 Support Programmes in June**

Between 29 May and 9 June, our school has made plans to prepare and support students for the upcoming national examinations through the following:

#### **30 May to 2 June**

- 1) Revision session from 0800h to 1300h in school to nurture the habit of hard work. Selected students have been identified for this session.
- 2) Consultation sessions are scheduled to bridge the learning gaps for specific subjects (see Annex A). Selected students have been identified for these sessions.

Students who have not been identified for consultation can also initiate and set up consultation appointments with their teachers to seek guidance and clarifications on subject-related matters. They should refer to Annex A and make appointments to see their teachers when their teachers are not scheduled to meet the selected students for consultation.

#### **29 May to 9 June**

Students who are taking Art, Higher Art, Design & Technology (D&T) and Food & Nutrition (F&N) should report to school on the following dates:

<b>Subject</b>	<b>Students Involved</b>	<b>Dates</b>	<b>Time</b>
Art, Higher Art, F&N	4E, 4NA 5NA,	29 May* to 9 June	0800h to 1600h
D&T	4NT	31 May to 7 June	0800h to 1600h

\*Students who are sitting for the GCE 'O' Level Mother Tongue Language examinations on 29 May and 30 May will report to the special rooms only after their examinations.

The teachers would be supervising the students to complete their individual coursework to be submitted for the national examinations. Students who have been identified to attend the revision session and/ or scheduled consultation sessions are to attend these before reporting to the special rooms for their coursework.

We would appreciate your support for the activities that we have organised. For enquiries, please contact the respective Form Teachers or Year Head (Upper Secondary), Ms Alina Bte Sany at [alina\\_ahmad\\_sany@moe.edu.sg](mailto:alina_ahmad_sany@moe.edu.sg)

Yours faithfully

Ms Chan Wan Siong  
Principal
