Instructions to students:

In view of the Mathematics test papers, we noticed that most of you are quite weak with your algebra, particularly in dealing with negative algebra. As such, we would like to take this opportunity to reinforce your conceptual understanding through the online platform. If you need to recap what you have learnt, please visit the e-lessons that teacher has recommended.

In order to access [www.heymath.com](http://www.heymath.com) smoothly, please use **Google Chrome** to access the website. There is a total of 2 assignments you need to complete during the E-learning days.

24 May E-learning assignment will be on Algebraic Manipulation, while the  
25 May E-learning assignment will be on Solving Linear Equation.

Follow the instructions closely to access your assignments.

1. Login to your account and click on Bukit Panjang Govt. High School.
2. A pop-up screen that shows your assignment will appear.
3. Click on the link and you will be given 50 minutes to complete the online quiz.  
(Note that you may need a piece of rough paper and calculator to work out the answer.)
